**YPT and Medical Forms:** Every adult in camp needs Youth Protection Training, available online at [myscouting.org](http://myscouting.org). YPT is good for two years. You and your scout will need BSA medical forms parts A, B, and C. Part C must be signed by a physician for both of you – no substitute physical forms are allowed. Your scout also needs the GNFC over-the-counter drug form filled out with his pediatrician’s signature. These files plus instructions are available on our website <http://pack4.weebly.com/files.html>.

**More Info:** There will be a camp kick-off presentation at our March 11<sup>th</sup> Pack Meeting at St. Bernadette’s, as well as a campfire info session in July. You can find information at <http://www.wnyscouting.org/>, click on Camping, Cub and Webelos Scout Resident Camp. You can find the BSA medical forms there, too.

The boys have a great time and learn a lot, and I encourage you all to take part in this year’s summer camping trip. Please call or email if you have any questions.
