

Emblems of Faith

Steps to complete the religious emblem of your faith:

- 1) Look up the emblems offered for your religion and for your cub scout ranking (Tiger, Cub, or Webelos) at <http://usscouts.org/advance/cubscout/religious.asp>
- 2) Enlist the help of a counselor by contacting your Religious Leader.
- 3) Obtain an emblem application from P.R.A.Y. and any required materials such as workbooks from:
 - GNFC store on Genesee Road (Cheektowaga)
or
 - www.praypub.org
 - Click on "Recognitions & Emblems"
 - Click on "Search by Faith"
 - Choose your faith
 - Follow the guidelines for your faith
- 4) Complete the requirements of the emblem. This involves activities with your family, religious organization, and counselor.
- 5) Complete the application for the award and mail with a check for the emblem, shipping, and handling to P.R.A.Y. per the instructions on the application.
- 6) When the award arrives, it should be presented at your place of worship in a meaningful recognition ceremony conducted by those who helped your scout with the achievement.
- 7) Let the pack know that your cub scout has earned his religious emblem. We will recognize him with the universal religious emblem square knot for his first emblem. Subsequent emblems will be recognized with either the Cub or Webelos Scout Device depending on his rank at the time.
